

## **DECLARATION OF INTERESTS FORM IN RELATION TO THE HARRIS REVIEW**

**NAME:** Deborah Browne

### **Guidance**

You are required to declare any relevant interest, direct or indirect, financial or otherwise in relation to your capacity on the Harris Review, this should include details of any remunerated employment, membership of any professional bodies or external position, consultancy or voluntary role which have a role or interest in the areas with which the review is concerned, (which includes contact with the individuals or families) taking into account the attached terms of reference.

You should also declare any action taken either directly or through an organisation with which you are involved in any deaths within the scope of the review.

The above is not exhaustive and if you are in any doubt as to whether something should be included on the form, please seek advice from the Secretariat immediately.

### **Case Studies**

During the course of the review you will receive case studies and should check to see if you recognise any of the names listed. It is possible that during the course of your work outside the review that you may have had involvement in one or more of the case studies or that you consider that even though you may not recognise the names of any of the individuals concerned that through the course of your work you may have seen papers relating to an individual who may be on the list i.e. such as a pathologist may. If that is the case, you should give such an indication on the form.

Please tick one of the following statements, give details as appropriate, and sign and date the form at the bottom. Please continue on a separate sheet of paper if necessary.

**Please sign and return this form even if you have no interests to declare.**

I confirm that I have no relevant interests, direct or indirect, financial or otherwise to declare in relation to my work in any capacity on the Harris Review

I wish to declare the following interests (a separate sheet may be used).

Prior to taking up the role as Head of Secretariat, I was the MoJ policy lead for young adults. I led the government consultation Transforming Management of Young Adults in Custody. I was preparing the government response for this consultation at the time it was decided to put it on hold until the Review had reported. I continued to advise colleagues on young adult issues during the period before a permanent replacement was appointed.

In declaring this interest I am aware that should any actual or potential conflict of interest arise in the course of my work on this Review then I shall immediately bring it to the attention of the Chair of the Review, and if necessary desist from undertaking that work or if appropriate resign from working on the Review.

Please note that your relevant interests will be recorded in the formal minutes and published on the Harris Review's website. In signing and submitting this form you are giving your consent to publication of those details.

**SIGNATURE OF THE SECRETARIAT MEMBER:**

**Deborah Browne**

**DATE: 1<sup>st</sup> April 2014**
