

## **DECLARATION OF INTERESTS FORM IN RELATION TO THE HARRIS REVIEW**

**NAME** Dr Yew Meng Aw-Yong

### **Guidance**

You are required to declare any relevant interest, direct or indirect, financial or otherwise in relation to your capacity on the Harris Review, this should include details of any remunerated employment, membership of any professional bodies or external position, consultancy or voluntary role which have a role or interest in the areas with which the review is concerned, (which includes contact with the individuals or families) taking into account the attached terms of reference.

You should also declare any action taken either directly or through an organisation with which you are involved in any deaths within the scope of the review.

The above is not exhaustive and if you are in any doubt as to whether something should be included on the form, please seek advice from the Secretariat immediately.

### **Case Studies**

During the course of the review you will receive case studies and should check to see if you recognise any of the names listed. It is possible that during the course of your work outside the review that you may have had involvement in one or more of the case studies or that you consider that even though you may not recognise the names of any of the individuals concerned that through the course of your work you may have seen papers relating to an individual who may be on the list i.e. such as a pathologist may. If that is the case, you should give such an indication on the form.

Please tick one of the following statements, give details as appropriate, and sign and date the form at the bottom. Please continue on a separate sheet of paper if necessary.

**Please sign and return this form even if you have no interests to declare.**

I confirm that I have no relevant interests, direct or indirect, financial or otherwise to declare in relation to my work in any capacity on the Harris Review
